

*Presents.... A travelling puppet theatrical show for kids!*

## Bug Kidz Insect Show

**Delight your kids with a fascinating journey into the world of Australian insects**

**Bug Kidz** has a fun and musical storyline which incorporates Insect Puppets. The children will be Entertained, Amazed and Fascinated whilst they are learning all about the Mini Beast World.

During this journey, the children will develop an understanding about the role insects play in the Garden, and their environmental significance, as well as the importance of safety in their own back yard.

An educational and interactive viewing of live Insects is conducted after the puppet show. But don't worry; there is nothing dangerous or harmful about these bugs.

The Bug Kidz Insect show is designed to entertain children of all ages.

### **The Show Comes to You**

It is fully self-contained with sound backdrop and props - This means no transportation hassles and everyone, including you, can just sit back and enjoy the show! Set up time is minimal and this show can cater for small or large groups.

### **Very Affordable**

A captivating show with exceptional value for money - Prices start at a mere \*\$6.00 per child. Minimum prices apply.
