

## Coming to your School

***“Bug Kidz” a mobile theatre show for kids!***

**Delight your students with a fascinating journey into the world of Australian insects**

Through song, play and an educational storyline, with a cast of puppets and actual live insects, Lea will take you on a fact filled expedition into the intriguing world of these amazing Australian creatures!

On their journey, children will develop an understanding about the role insects play in the garden, their environmental significance, as well as the importance of safety in their own back yard.

Set on a colourful backdrop, the live theatrical show is designed for kids aged 3-7 years. The Bug Kidz Insect Show culminates with an interactive viewing of live insects, bug and spider identification, habitats, and many more interesting facts.

### **Bug Kidz Come to You**

The Bug Kidz Insect travelling show is fully self-contained with sound, props and a small stage which fits into a classroom—we can even supply our own power! This means no transportation hassles and everyone, including you can just sit back and enjoy the show! Set up time is minimal, catering for small and large groups.

### **Very Affordable**

At just \$6.00 per child, this captivating show offers exceptional value for money.

**This show is also available with a Christmas theme!**
